“ I met Jackie in 2003 when I was an intern. It was such a pleasure to know her and see her regularly as we both remained at Emory for the many years that followed. I am sad to hear of her passing. Her warm smile and friendly embrace were a blessing to me each time I saw her. I will hold her memory and your family in my heart.

“ *Miss Jackie was always a positive support to talk to as a resident. Since she was not grading or evaluating us, she was just neutral and supportive. I remember talking with her just before graduation and she and Miss Vanita encouraged me to trust God with all the crazy changes, hopes and dreams. That made the biggest impact on me.*
