“ *Words can never express how heavy my heart is feeling and broken to lose my childhood friend and confidant. I will always cherish the memories we shared growing up living next to each other, playing in the streets together, walking to and from school together, the Aliquippa football games when I was a cheerleader and you were a Quipette, and getting each other through life when the unexpected it would happen. Although I haven't seen or heard from her in years, thoughts of her were always in my heart and prayers. You will be missed dearly. My sincere condolences to the family and I will keep you all in my prayers. Rest peacefully with God my dear friend until that glorious day when we will meet again.*

“ An ever-ready Princess! May the joys of her life be celebrated. Even while on her cane, she was willing to come and spend time with the Atlanta Track Club as a volunteer. My team will miss her. But, that time was just the icing on the cake for a beautiful spirit. I will always reflect on her demeanor as an example of what a loving/caring heart displays at all times. Peace and Blessing to your family in the loss of Jacqueline.
