“ *From a mother to another that has lost a child*

*I've heard the words -
"I'm sorry for your loss"
"He's in a better place"*

*All the words of comfort, though kind and sincere
can't takeaway the emptiness that is here.*

*It's hard to know why things happen as they do
Left with only memories of joy and happiness with you.*

*Life never prepares you to ever say "good-bye"
to a child and you keep asking "why?"*

It never goes away - Like a broken bone that aches on a rainy day.

*You will laugh again -
You will even have some great days
When something will remind you of his ways.*
