“ *Jalil Bey was more than a patient — he was a kind and gentle father figure whose presence brought warmth and wisdom to every room he entered. Over the past two years, I had the privilege of being one of his nurses, and in that time, he taught me as much about grace and resilience as I hope I offered in care.*

*His spirit was steady, his words thoughtful, and his heart full of quiet strength. Jalil’s legacy lives on in the lives he touched, and his memory will continue to guide and inspire those who knew him. May he rest in eternal peace, embraced by light and love.*
