As a father with a 2012 WHS honor grad and our last child about to complete her magnet Sr year, we observed this Kind & intelligent Soul embrace all kids He encouraged us as fathers to pray over and remain intricately involved with our kids and admin staff. If we had more like him & his dear wife, there would be NO truancy. God bless their souls. God help their surviving families.

“ It touched my heart dearly to hear about the tragic death of Mr. Jamar Robinson and his lovely wife Ann Marie Robinson. I knew neither he nor his wife but I was moved to pay tribute to their legacy and thank God for the lives they did live on earth. Mr. Robinson's energy and compassion towards his students, his love for education, and continued zeal for 'the marching band' were deeply felt. I wish nothing but peace and blessings on the entire family and pray that their 2 sons grow up to be magnificent examples of greatness. May God bless the family, friends, administrators/faculty/staff, students, and all others affected by their passing.

“ Jamar was my manager at the Movie Theater at Greenbriar. He was so kind, cool, nice, and just a real down to earth person. He promoted me to supervisor. He was so sweet. I still can't believe what happened to him and his beautiful wife. May their souls Rest In Peace. Praying for their beautiful boys and rest of their family. The world lost a great person.

“ Greetings, I am Alexander Russell. I taught Jamar at Rainbow Elementary School. In 2010, My wife and I were at a movie theater and Jamar saw me and he came over to ask me if I was Mr. Russell from Rainbow Elementary School. I was so happy to see him. Jamar told me that I was a significant person in his life as a role model. I was emotionally moved by his statements. My wife said the same.

On Wednesday morning, I turned on the television and the news was on. I heard the report regarding two persons drowning in Puerto Rico. I turned my head towards the television screen and there was Jamar and his wife. I was in shock. I could not get the words out of my mouth to tell my wife. I did not know Jamar was at Levett Funeral Home on Wednesday. I saw Jamar's Funeral on Livestream. I am very impressed with Jamar's character and accomplishments. I would like to speak with Jamar's family and they may communicate with me at 404 545-2761. Thank You, Alexander Russell

“ *Jamar Robinson was a great principal and a better man. The world is a poorer place for losing a man who lived--and died--trying to serve others. He did a lot for "the least of these," and it's easy to imagine him hearing "Well done, my good and faithful servant." If the loss of such a man is hard for the world, I can't imagine how great the loss to those closest to him. My family will be praying for yours.*

“ *We are deeply saddened by the loss of Principal Robinson. My daughter was a member of the Class of 2019 and overjoyed when he was selected to take over the reigns as Principal. She had already established her own relationship with him and was excited that her last year at Westlake would be with him leading the charge and change at the school. As a parent who was actively involved, I had interacted with him on multiple occasions and always found him to be respectful, thoughtful, clear headed and wanting the best for the students. His presence will sorely be missed.*

“ So many memories as a Westlake parent, but one memory I have of Principal Robinson is that no matter what, he would always say that he wanted to hear my feedback. He always left the bridge open. Mr. Robinson attended my mom's funeral in October of this year. Our family was surprised to see him there, but our hearts were extremely full by this action. When I thanked him for coming, he said 'Ms. Womack, you are family.' This was who he was...all-inclusive, loving, and a visionary. He will forever be missed. As I look at his birth date, I notice we are both Leos and born in the same year. Same age! I am happy for the time we had with him and pray for eventual peace for the Robinson family. We love you Mr. Robinson and we will not forget!

“ Mr. Robinson was my favorite part of westlake. When I was unsure of my college goals, he was the only administrator to encourage me to follow my dreams rather than what seemed ‘realistic’. He poured into me even after I left westlake, checking on me, telling me words of affirmations I needed in my darkest hours, and simply believing I COULD. He is a light that cannot be dimmed, and I am so grateful to have been blessed with a mentor who truly cares about me and my well being. This news broke my heart, but I thank God for letting me witness the love, perseverance, and strength of such an amazing community leader and mentor. One westlake forever 💙

We extend our deepest condolences to the family and friends of our beloved Westlake principal. Mr. Robinson showered his students with love and care (we know this firsthand). He would go to great measures to reach out to my child to congratulate her, check on progress in a new class, make sure issues improved (when she had a problem in a class), etc. She remembers the time he always took with her even if they were just passing each other in the hall. He always spoke greatness over her. My child was a part of the historic class of 2020, and Mr. Robinson showed his care in many caring ways. He leaves a GREAT, lasting mark in our lives and will be greatly missed.

Thank you, Mr. Robinson.

“ *Jamar Robinson showed me the value of a second chance.*

He was a manager at Stonecrest Mall 16 in the early 2000s. He always was able to harness the power of motivation for the young people he worked with; me among them. On one shift in 2006, he made the decision to fire me after a lapse in professional judgement. I took it hard...and I thought that I'd never get to redeem myself.

In 2007, shortly after Jamar was promoted to General Manager at another location, he gave me a call I was never expecting: a chance to work for him again!

Over the next three years, I ended up working my way up to Manager, meeting my wife in the process! We have been together 10 years and married eight.

A life changed from a second chance. I'm forever grateful that Jamar saw the opportunity to give me that.

Thank You
