“ *my deepest sympathy to jewel and the rest of the family. jimmy was always like a father to me and always encouraged me to share my voice with the world. he made my first cd from songs that i sent to him on a cassette tape. that's how much he loved music. i will always treasure the times you both came to visit and check on me after my parents died. i know he's now sitting and singing with my mom and catching up with his bldg 27B buddies in heaven. love and miss him. love to jewel and the rest of the family. carol hayes*
