“ Kenny and Candis were my favorite cousins growing up. I used to love to spend the night with Candis at Uncle Jimmy and Auntie Alma house. I remember when Kenny use to come over on the weekends and take us kids for a ride in his Trans Am sports car. He would let us blast the radio. Those were the good days. I miss those days. He was the best cousin and he is greatly missed. I love you cousin, sleep well and say hello to the rest of the family 🙏❤️

“ I knew Denise, Charlie Banks then I meet James he would say I have to call my brother CB, then we would get together and play cards and cook all sorts of food James could cook to he loved his music and when he would hear Dance with my Father by Luther Vandross he would say it made him think of his father James was that friend that had the biggest heart and if he became your friend you had him as one of your Best Friends for life and he will truly be missed.
