“ There are no words that will ease the pain of this heartbreaking loss. Grief from the loss of a loved one is a path no one wants to walk. James was my confidante. We'd swap stories and laugh for hours. He was like the brother I never had; the special relationship where you always wanted to protect the other person and wish them well. May God grant comfort and peace to all of the family that only He can give. Rest well my beloved cousin.
