“ I miss you so much pops. It hurts not to be able to pick up the phone and randomly call you like I always did. I haven't talked about you since you passed because every thought makes me cry ... you were the best father in law any girl could ask for. "Knucklehead" is doing ok too I know he misses you like crazy too. We love you dad and hope you're sleeping good up there you needed to rest anyway you were a very hard worker and always on the go. Keeping shining down on us. Love always your daughter-InLaw ❤️
