*Jimmy was like the brother I never had. When I was little he use to let me go to the store or record store and I would see my little friends then we was young and they use to look up at Jimmy he was tall back then and look at me and smile and Jimmy would look down at me and I would just smile. He was always cool Jimmy RIP now I will miss you.

“ I met James back in 1987. We immediately became friends and stayed in contact with each other over the years. James always displayed a kind demeanor and always had nothing but kind words. He will be missed. Rest in Heaven my Friend.
