“ *Mathew was a genius. He loved music, he loved making music, and he had a gift. But even more importantly than that, Mathew loved people, he was a kind caring person. He was a good friend, he was always there for me. I remember when we hung out, if I didn't have money for food, he would make sure I ate anyway. I remember when he turned the room next to his into a studio, then when he turned the basement into a mega-studio. He used one of the closets downstairs as a recording booth. I would fall asleep and wake up a couple hours later and he had already made a new beat from scratch. I miss staying up late eating pizza and playing Call of Duty with you. I miss making things in your grandfather's workshop. I miss you bro.*

“ Matthew brought so much light to everyone’s life. It’s hard to see him go and to lose someone that brought happiness and laughter to every soul he touched. He was gifted and his love for music was out of this world. Matthew will be missed but he will forever live in our hearts❤️

“ Matthew was the funniest person you could ever come across. I use to joke that all he did was sit in the basement and make beats or hang out with friends, but he really did so much more. He kept a smile on my face and he brought joy to all around him. He will always be in my memories and heart and always make me smile, he will also be wearing a hoodie because the Lord knows he loved those. Rest in Heaven James.

“ *My main memory of Matthew was a couple years ago at my home. He referenced me as Aunt Debbie as most of my younger cousins do. But what impacted me most was the hug he gave me. I understood it. He saw the memory items from my son and just wanted to show his heart towards me. James Matthew Hall you are gone too soon and will be missed. Now hug Jermaine Matthew Hall for me.*

Prayers for our family. 💔

“ Me, my brother, Aaron, and Lanaiyah were hanging out at the park near Tapestry, and he came by. Aaron got into a funny position and called his name, and he returned the favor. It was funny, and a memory I will never forget.

*Dear Hall Family,
I can't tell you what sadness I felt in hearing the news about Matthew.
What a talented and nice young man! He and I had our moments as
student and teacher, but I always respected him and wanted the best
for him. Let his memory inspire us all as his smile said everything.*
