“ *It was about 33yrs when I first met Jimmy. I was blessed to get him on a recording session in NYC. From that moment until today we have been family. I believe it was our Heavenly Father that brought us together then. Because during that time I introduced him to Beverly and they became "One in Love forever". Wow! We lost contact for years and God put us back together in 2014 so that we would be there for each other. I thank God for His plan which is the only one that will work and last. Hold on "Smith" family, God is not through with all of you yet! Greater things is still to come. Give Him Praise for allowing Jimmy to be part of our lives and Worship Him for bringing Jimmy home to be with Him now, so that Jimmy can play the key boards for the Heavenly choir.(Just my little imagination) :-) WOW!!! I love you all and we are praying for your strength. From Mary Stevens and family.*

“ I had the pleasure of my first road trip to be, you guessed it STUFF ..in JAPAN!

and loved every minute of it. I learned a lot from Gordon, as he shared his leadership knowledge with me , but Jimmy taught me, in his own quiet way how to pace myself in my improvisational approach of phrasing. and it was as simple as "not burning up all the notes at one time".

This is not goodbye my friend, but its only a transition of matter to a higher spiritual presence .We will all will play together again one day.

to Beverly,

. YOU know I've been there (and you guys dried my tears and told me to go forward, I will never forget that).

Both of you inspired me to go forward and perform, travel, write songs ,and sing and play to the entire world, and that I cannot thank you both enough. and you for being the woman who inspired him to inspire me, and I never got to say thank you both for being my saving grace..
