“ To the Family of James Kelly:

I will always remember the special greetings given to me from you and your wife as you walked around offering time in service at Voices of Faith. Your smile and greeting was always with JOY. A true and loving man of God. It seems like yesterday when Bishop had you to stand honoring you on your Birthday. I remember the surprise I had because you, like Bishop Woodside, never looked your age.

My prayers are with your wife and family as they go through these days of the many memories of You. May each memory with the Comfort of God's Love surround them and give them peace knowing you are now in your Eternal Home.

Love and Blessings
