“ There are no words to express the sorrow in our hearts. Our father of tender mercies has himself experience the loss of a love one. Pour out your heart to him in prayer. Truly sorry for your loss.

“ Thank you all for your kind words and encouragement during this extremely hard time. Not just for me and my siblings but for everyone that knew and loved him just as much. We have to remember that he's no longer hurting or grieving from the loss of our mother 9 months earlier. Which we all took very hard as well. My dad is back with my mother, his younger sister Nene Lane, his mother, his father, and other family members. God needs his soldiers right now to fight the good fight so let's all keep that in mind. Thank you to all my family and close friends for being here with us love all of you for supporting us and each other keep your heads up as we will do the same 🙏😊💖.
