“Wow!! This came as a shock! Never thought that our last conversation would be the last. Which reminds me that we should treat everyday as if it is our last. I will miss you my friend! Your personality and zest for life was contagious. You always made me laugh whenever we talked. Our time at Friendship, Benedict and as my neighbor in Charlotte will sustain me with happy memories!! Rest In Peace my friend. I pray that the sweet memories you left behind comfort your family and gives them peace during this difficult time.
