“ My deepest condolences to Dr. Roberts Family. I had the pleasure of working with him at Crawford Long Hospital Now Emory Midtown for any years. He took great care of his patients and I enjoyed working with him. I was surprised when he shared with me that he was a member of Phi Beta Sigma Fraternity Inc. (I am a Zeta). We never got to discuss that affiliation any further. I regret we did not get to finish that conversation. He will be missed. Thank you for sharing him with us all. Rest easy Frat!!!. God Bless you all. Alisa Edmonson (Buggs) RN

“ Dr. Roberts was a very good Doctor. I worked with him several years in the Dublin VA. I really enjoyed his professionalism and care for each patient. He was so detailed oriented and extremely considerate of his patients. I really enjoyed working by his side as I learned a lot. He was always willing to teach me things to make me a better nurse. I missed him when he left and now I know he is in a better place with our Lord Jesus. I pray for his family and may peace and God's loving grace comfort you.

“ Dr James Roberts was a kind, compassionate, gentle, generous, educated, teacher and a mentor to many people. “ I had the pleasure of meeting Dr. Roberts on my first day with the Atlanta VA this past April.. He was kind and personable and extended himself to me for any reason or issue I may have had being a new employee. In our team meetings, he always had a kind word for the work that we had done and was always there listen to our issues. His passing was a true shock to me and our team. I extend my deepest condolences to his family and I pray for God's continued peace to be with you.

“ Dr. “James” Roberts was a quiet and humble soul, but yet full of knowledge and wisdom and so easy to talk to. I had the pleasure of meeting a dear friend for life many years ago at a Falcon’s football game and tailgate amongst mutual friends. Anyone who knew James would tell you that he loved his FALCONS. I’ve worked with many nice and humble physicians a lifetime, but I must say that Dr. Roberts stood out. I’ve lost a great friend here on earth, but God has gained an angel in heaven. Rest peacefully Dr. Roberts, your hard work and dedication to a world of many here on earth is complete. I send my love and prayers to the daughter and family of Dr. “James” Roberts. May God soothe your hearts and give you peace during your time of loss.

I met James in 1970, my first year teaching. He was in my home room and I recognized at that time he was going places. James Roberts was a gem of a student. Although as a teacher, my discipline(Social Studies) I found James had a great love for Science and Mathematics. He achieved very high marks. Watching him after high school and achieving a Medical Doctor career I was very proud of my former student. Dr. Roberts came from humble beginnings. He was a very kind, congenial, and compassionate young man. He was DETERMINED to achieve his goals. I 'm saddened by Dr.Roberts transitioning. My deepest sympathy and condolences are extended to his family. May God's mercies comfort you as we mourn your loss. 🙏
