“ Dear Pierce Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.

“ God empowered Jesus to resurrect dead ones when he was on the earth; giving us evidence of what He will do in the future. Jesus assures us: “I am the resurrection and the life; The one who exercises faith in me, even though he dies, will come to life.”
