“ I had the honor of serving her in the role of pastor. I have fond memories of sitting with her parents while stealing recipes from William. Jan was a quite spirit, and always had a smile on her face. The Harris', in my opinion, are the Gems of Georgia. Jan will be a treasured memory in the South Dakota region.

The Harris family is truly a wonderful, loving family. I haven't seen any of them in person for years. Although their individual faces are impressed deeply within my heart and thoughts. Jan was an absolute loving and kind individual. I remember her smile as if it were yesterday. We were all friends as young adults and this friendship remains in my heart until this day. Pam , Judy and the rest of the Harris family, know that you are in my prayers. We have each other's numbers now, so let's make some additional great loving memories. Love you as family, your sister in Christ Alma!
