“ Dear Family,

Janice worked for me in the early 2000s and became a trusted colleague and a dear friend. She helped transform the organization I was working for at that time from hit or miss collections, to a smooth operation of billing and follow up for government payors. She was an expert in her field, and she contributed much knowledge to whomever she worked with in healthcare.

Janice brought in additional dollars (more than \$200K) during a very tight financial period for the organization and it took not only knowledge, but action on her part to accomplish this feat.

She was a caring and kind person...she was generous and personable. Janice loved her family and was very proud of her children. We both had husbands named Ken, and that was an inside joke for us.

I am so sorry that Janice has passed. I know this is a loss not only for the family, but for all who knew her. Although I no longer live in the area, I will miss her greatly any time I pass through Atlanta.

Prayers for comfort and peace to you,

Cheryl Kenneth-Jenkins
