“ I can’t begin to know the sorrow you feel or the heartache you bear, though I still care! I pray that the memories you shared with “Janice” will fill the void in your heart and bring a smile when you’re sad. Remember those we love don’t go away, they walk beside us everyday. Unseen, unheard, but always near. Still loved, still missed, and very dear.

With deepest sympathy, Juanita Oliver

My condolences to the Willis and the White Family's. I send you all peace and love. All though, I never met Jan, but through her brother Tony. So she had to be full of love and peace just as he!

“ To the family of Janice White-Willis- when I walk through the corridors of my mind, fond memories of Jan and the White family rise to forefront. We were childhood neighbors, and I remember well how Jan cared for her mother and siblings, then later for the family of her own; her husband and children. My prayer is that you; her children, and her siblings, may in good time remember Jan more with tears of thankfulness than tears of sorrow. My love to you all, Winston Ross.

My memories of Janice bring back all the childhood fun we had as growing up she was my 2nd sister, Not only would she teach how to play fair but she would get out there and play with Craig, Pat and I as well. She was just that youthful in spirit. Take your rest JANICE you will always stay in my heart. Condolences to the family with Love!!!
