“ Although I did not know you for very long, I found you friendly. I had the opportunity to speak with you recently. We both share the last name Washington. I always joked that you were probably my cousin. I am so sad. RIP my honorary cousin. You will never be forgotten. Lavon Washington

“ As I sit here tonight with a heavy heart, after I got the news that you went on to be with the lord, I just can't believe it. I know god has a plan but this one right here is a hard pill to swallow. The times you spent over to our house with the rest of the kids all the time during your high school years was the best and I'm glad we had that time to share. Our kids are still in disbelief now. We're going to miss you. We needed you here but god needed you more. REST IN HEAVEN LIL ANGEL.
