“ *My condolences to the Johnson family on the loss of your brother. I pray that God strengthens you during this time. 2 Corinthians 5:8 We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord. May God's peace and love surround you. Philippians 4:7 And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.*

“ *Losing loved ones to death is never easy, and it is especially painful when young ones die. As the family of Mr. Johnson mourns his loss, please keep Jesus' words at John 11:25 in mind - that he is the resurrection and the life, and even if we die, if we exercised faith in him, we will live again. What encouragement to carry on. Sincerely,*

“ *My condolences in the loss of your dear loved one. When our loved ones die it pains our hearts. Our loving God Jehovah is aware of this and he comforts us by means of his word the Bible. Psalm 68:20 says; The true God is for us a God who saves; And Jehovah the Sovereign Lord provides escape from death. Also 1 Peter 5:7 says : While you throw all your anxiety on him, because he cares for you. May these scriptures help you to cope during this sad time.*

“ *To the Family and loved ones of your dear Jarvis. Please know this was never God's design for any of mankind, especially one so young. Please take comfort in The Creator's provision to soon awaken him from sleep. God's Word the Bible, promises an approaching resurrection for our lost loved ones, to a cleansed paradise earth. Free of sickness.sorrow and death. ( Isaiah 33:24, Rev. 21:4) This is no mere fantasy. There are nine officially documented persons that were restored back to life in earlier times. Jesus was one of these. May your pleasant memories of Jarvis life, and this guaranteed hope to see him again, strengthen you and sooth your broken hearts. Til that day when you ca welcome him back and embrace him once again. God always keeps His promises. ( Titus 1:2) My respectful condolences. jw.org*

“ Jarvis loved to fuss, I called him "Mr fussbox" but at the end of the day, he was a good dude to be around. He looked out for a great deal of people and always had a willingness to help. He fought a good fight, and will be greatly missed.

“ Your wholesome heart and soul will be missed by many. You have left your mark here on earth. You shared the same kind soul as your mom. She taught you well. I can only imagine the big hug she had waiting for you at the Pearly Gates. Keep a eye on us and watch over your family and friends! The battle is over and the bell has rung , in our eyes you are the Champ! Thanks for showing us the true meaning of being a Champion in Life, Love and Family!
