“ What a privilege to have known Jason. He had the kind and gentle spirit of his mother. He was a fire preacher like his dad. My heart was touched by some very kind words that he expressed to me on one particular occasion when I was deep in thought at church. He was truly a messenger of God. We have that blessed hope and assurance of seeing him again in the first resurrection. I'm praying for the Hood family because I know that he is missed, and will be missed. Much love, [Psalms 116:15]

“ *Jason was a stand up guy, who I truly admired and looked up to as a young man. Thinking back on the times we laughed together, joked around, and prayed together. Jason was a loving person who always had a word of encouragement for you when you were going through something. You will truly be missed. My condolences and prayers go out to the Hood Family.*

“ *My prayer is that God continues to hold each of you close and do all for you that you can not do for yourselves at this time. I thoroughly realize that there are no words I could ever say to make things easier right now; however, just know that I hold you up in prayer; and I hope you always know how great it is that the life he led impacted the lives of so very many. Hearts everywhere are heavy.*
