“ We are going to miss you Jason. You always had such a warm smile and brought a peaceful presence when you were around. I am sad that I only knew you for a short time on this earth, but I know you are in a better place now watching over us all. Your life has only really begun.....

Jesus said to her, “I am the resurrection and the life. The one who believes in me will live, even though they die; ~ John 11:25
