## The Celebration of Life

Jayvon Richard Lee Bright was the baby of his older sister Jaiden Amara Bright, born to Eboni and Iszel on February 6, 2006, in Harbor City California. Jayvon had a complex medical history, but never allowing his circumstances to dictate anything he wanted to do in life, if he wanted to he did it.

In May of 2014 Jayvon relocated from California to Georgia where he began his journey with school and the willingness to learn and grow.

Jayvon loved music and taught himself how to play drums and became very great at it. His love for music motivated him. He would spend hours listening to his favorite artists, and was able to teach himself with in days how to play a specific song. He had an ear so good that he would be able to mimic beats with in minutes of hearing them. In addition to music, he loved to collect anything from fidgets, crystals, and plushies. He loved spending time with his family, playing games, one of his favorites being UNO, and catching the cheaters in the group.

Jayvon had an amazing sense of humor, he loved to laugh and make others laugh, he loved bringing joy to others that knew him. Jayvon was the kindest soul and had the greatest spirit. To know him was to love him.

Jayvon acknowledged his faith in God at an early age and believed in prayer and helping others. The love he had for his family, and friends was like know other.

“ *Ms. Pollard and Ms. Woods. My heart is so sad to hear about Jayvon. The year that he spent with us at Haynes Bridge was too short. He was a ray of sunshine. I never saw him be sad or angry. His heart was pure and he was appropriately named Jayvon Bright! His smile was as bright as the sun. I'm sad that I was not able to come to the service as my daughter was graduating on Saturday. However, his smile will always be remembered in my heart and by everyone he met.*

“ *What a special young man the world had with Jayvon. Anyone who knew him felt his spirit and joy. I had the honor to know Jayvon and support him and his family during his years at Lake Windward ES. I know his Gator family has Jayvon and his family in our thoughts and prayers. He is smiling and telling jokes from the heavens above and watching over all those he loved. We will miss you, Jayvon, and we love you.*

“ *I work at Lake Windward ES. I knew Jayvon through interactions in the cafeteria, field trips etc. He was a shining light. He was funny, friendly, caring, polite and charming. If I was having a rough day, I would feel better after seeing Jayvon. That's the kind of person he was. My fondest memory of him was on the bus one year, coming back from Special Olympics. He, another assistant, and I were telling jokes and laughing all the way back to school. It was perfect, and so much fun. I am saddened to hear that he has passed, and I will miss him. My thoughts and prayers go out to his family and friends.*
