“ Words cannot express the sadness I feel right now to learn about Jean's passing. She was my friend, my confidant, my sister. And while distance and time constraints had kept us away from each other for far too long, she was always in my heart. I will miss her more than mere words can express. I am praying for both my Goddaughter Nikki and Todd as they continue in this life without her. I know her love will live on through them and those who knew and loved her. May God send his angels of comfort. Todd, Nikki & if you need anything, please let me know. Love you all. Christi Laurent
