“ My deepest condolences to your family during this time. I wish I had the words to bring comfort and to make things whole. All I can do is tell you how much I love you all, ask God to cover you all during this time, and tell you how much your family has always, personally, inspired me.

I've been blessed to have had many positive role models in my life, and your family has always served as one of them. You have inspired me through your accomplishments. You've inspired me through your faith. And you've inspired me through the unbreakable bonds you all share with one another.

Thank you for being that inspiration, and know that Cousin Jeanne was, still is, and always will be one of the cornerstones for that inspiration. Peace.
