“ To the family of Mr. Joseph. Mr. Joseph was such a honorable neighbor and friend to me. He was the first neighbor to reach out to me and for the last four years we have become good friends. I send my condolences to the family for your immeasurable loss.

“ Jeff and I worked together last Summer, he was so passionate and helpful about work. But when he told me about his kids - that's where the real pride & joy came out. I could tell he had a huge smile on his face while he spoke about them. May his soul live on and provide strength to his family through these difficult times.
