“ I remember him as a little boy with his Mom in New Jersey. She would walk him to school/daycare he was a very happy child always smiling. I also remember him playing with Al and Harvey when they were small all very cute laughing all the time. I remember Jeffrey hanging with his grandparents talking like he was much older. I remember when he was older and traveling through Florida he called me just to say I love you. I remember a lot he will me missed.
