“ Jeff, I remember when Karen use to bring you to hang out with us all the time, little Jeffrey I know Karen was the first person you saw on the other side, I'm so sorry I didn't reach out sooner to connect but I know you are at peace in heaven.

“ I love you so much Uncle Jeffrey.  
You were always a ball of energy and such a great person to be around.

*I'm sorry you were going through so much pain unexpectedly.*

*I'm sorry so much time passed without us connecting. By the time I reached out for you to meet your 1st great niece and my husband, you had already passed away. I like to think that you gave life to my daughter- that you didn't pass in vain.*

*No one in the family told me- I found out in 2019 via Google. But we're both not surprised about that, huh?*

*You have 3 great niece's now! I will make sure that your memory lives on with my family. Love you always. Think of you always- I know I'm making you, Great-grandma Agatha, & Aunty Karen proud :> <3*
