“ Quiet as it was kept, I had a crush on her. Although we never dated, I considered the one who got away. She was always kind to me and didn't come across as mean or otherwise not able to get along with. My prayers are with the family. Gone too soon.

“ Rest in peace with Jesus and the angels my friend. We spent so much time working together over many years and shared many memories of our families. I never had a conversation with you before you talked so fondly about your daughter, and how much you loved her. And you did appreciate your husband's cooking and grilling! You were always thankful for the blessings God had bestowed upon you. I am very sorry for the time your family will no longer have with you, but know that you are in a wonderful place right now. God willing, we will all be able to rejoice with each other someday in heaven.

“ To the Simpson family and friends, my prayers are with you. Jennifer was a beautiful person inside and out. She had a way of telling you how she felt with a smile on her face but you knew she meant business. Her jokes and laughter would light up a room. This woman of God fought a good fight and the Lord has said “Well done my good and faithful soldier”. Now you are home to rest. Jennifer wear that crown proudly as only Jenny can. Until we meet again  
Peace and Blessings to Bruce and Brooke.
