To the family of Jeremy, I met Jeremy several years ago through my Grandson Chris. He was one of the most respectable and well mannered young Man that I have ever met. He called me Grandma too like my Grandson. This made me feel special. He would eat with us and whatever my grandson had to do around the house, he would pitch in right along with him. He often spoke of his Mother with so much love and concern. Please know that my love and prayers are with you all. Mom, your Son loved you dearly and wanted the best for you. Cynthia L. Marks
