“ I am very sorry for the loss of your dear loved one; In your sorrow, may there be peace.....In your thoughts, may there be love.....In your hearts, may there be healing. Psalm 147:3 promises:”He heals the brokenhearted, He binds up their wounds.”

“ My condolences to young Mr. Jermaine J. Roby family, Jesus encourages us...  
" do not let your hearts be troubled, exercise faith in God, exercise faith also in me."  
(John 14:1) God empowered Jesus to resurrect dead ones in the past and he promises, your dead will live... they will rise up. Isaiah 26:19, God always keep his promises.

“ Still remember when in Whiting Field barracks we used to chill and play video games in the weekend. You made sure that everyone knew that they could hang with you and that you would treat them like family. May God continue to give your family peace in this time of grief. RIP Roby, mother and sister.

“ Roby you will always be a brother to me, god only knows how much you truly meant to me and it sucks i never got a chance to repay you for being such a great friend. All those events you invited me to like my first dolphins game to watching the heat in the playoffs you always were there for me and always so generous. We went through a lot together and I can still remember myself telling you to never give up and follow your dream. These pictures were from July which was the last time we saw each other. You gave me support and you spoke the word of god to me, you told me everything happens for a reason and to never give up. I will never give up my man and even though you were younger than me at times I definitely looked up to you as a big brother. You were very wise and had a great soul god only knows why he let his son down this path of destruction. You were better than this I just wish I could have shown you. I wish I knew how down you really were because man you really really knew how to hide it. If you were here today I would tell you I love you like a brother and no matter what I am here for you. Today I can't tell you this because you paid the ultimate price but I can tell your family I am here for them. I'll see you at the pearly whites one day J

“ Jermaine I didn't know you very well but you were my cousin. God's Word says he works all things together for our good. I pray & trust that He will do just that in the midst of this heartache. I pray that our families will move forward together in unity & love.
