“ I met JJ my first year at Steele. Even though I was not his teacher directly, he called me “Auntie” to make me feel part of the Knight family. JJ was a bright light and was always there to help put a friend in need. My fondest memory of him was prom night during his senior year—he made sure to say hi to all of us chaperoning and got the kids up and dancing the night away! There was so much laughter and joy when you were around JJ—I pray that God wraps His loving arms around his family and friends. JJ, you mattered to Mr. Fannin and I...we will see you there! Rest easy sweet boy! You will never be forgotten ❤️

“ My dearest cousin, I am sorry we were not able to meet in person. The few moments we shared on Facebook was hearting warming. We love you, miss you and will watch over your mom for you. Until we meet on the other side, we will carry your light with us and shine it bright on everyone with a big smile the way you always so.

Jerod was friends with my daughter Kiesence. I never got the chance to personally meet him, but I she spoke very highly of him. My prayers are with Jerod's mother and family and only GOD can bring strength and comfort to this situation. May GOD bless the family as they go through life's journey without JJ!

He will be missed

“*My beloved cousin Jerod, I wish so much that I could have meet you so much, but for today, I only hope for one thing. May your soul be at peace and may your spirit be with God. You are now an angel among so many others and one day we will join you to dance together and make up for time. Winona.*
