“ *My deepest condolences to the family love y'all. I remember when  
we all had went out to dinner with your dad and he ask each person  
at the table what were they doing tomorrow and everyone said  
going to work and he said laughing I'm not I'm retired. I thought that  
was the funniest. I said that to say remember all the good times that  
you had with your dad. Love you all.*
