“ Jerome Forest Williams was a classy human being which I shared growing since I was 3 years old note than 65 years ago. A classy dresser, a classy sports guy, a classy friend. I remember well the day of July 15 1974 when Jerome, Johnny and Renee traveled from Hendersonville NC to participate in my wedding in Blytheville AK. My last meeting with "Jabo" was in 2022 at our 50th year high school reunion. We were neighbors in Stone Mountain but life did not allow time to meet but the last visit Johnny graciously drove us to visit and we all shared our last all living moments on this side. I thank GOD for having JFW in my life which helped me in so many ways especially in dressing.

“ When I think of Jerome, I will always remember him as kind, unassuming, friendly, cheerful. He was a star in the HHS class of 1972, not because of his accomplishments which he didn't wear on his sleeve, but because he was a genuinely good human being. I look forward to seeing him again. My prayers for comfort to surround his loved ones.
