Mrs. Jerrie Huewitt. It was a pleasure to work with and to get to know Mrs. Jerrie when she was hired as Financial Aid Director at Georgia Piedmont Technical College (formerly DeKalb Technical College), she had compassion, tenacity, strength, care, and love. Being a part of her "Financial Aids Finest", the name she called us, Team was family. She knew the work was hard and tough but she cared for us, she fed us - yum, she knew we worked hard but she showed she cared. I will miss the "personal national holiday birthday messages (as her is coming up), and all the holiday messages we shared. Mrs. Jerrie although my heart hurts because you are gone i get pleasure in the fact that I got the chance of meeting, working, and knowing a little bit of you, your sweet spirit, your kind heart, and your beautiful smile. Take your rest. Rest in God Arms. To the family from the Cece Winans song Comforter - "and for the grieving family who weeps for loved ones gone the pain of separation consumes another home but on the waves of sorrow you walk with perfect ease. Comforter is who the whole world needs". God is your Comforter, your Peace giver, he will give you a peace that passes all understanding. My prayers are with you.

“Sorrow is not forever. Love is.”

You've lost someone who held a special place in your heart and on your life. Although no one else can truly share the sadness you feel now, may memories of your loved one bring you peace and reassure you that love endures forever.

“ I want to send my prayers to the family. She was such a sweet and caring person. She always had a smile on her face every time I saw her at Savannah State. She went above and beyond her job for the students. I have my degrees because of her and all she did. You will be missed truly. Thank you for all you did always. Rest In Heaven.

“ Ms. Jerrie was my neighbor for many years. I loved her spirit, her smile, her love for God and family. She and I prayed for each other, and just 5 short months ago on the day I moved, I prayed God would let me give her one last hug as she had been sick for quite some time and not outside much. God answered my prayer and I will never forget seeing her face and hugging her as tight as I dared, but telling her I would keep in touch. I did and I was not expecting her to go "home" this soon because I had some things planned to surprise her next week for her birthday. God knows best but she will be sorely missed on this Earth. Sincerest condolences to my friend, Earnest, as well as Van who we adored, and sweet Misty and those grandbabies Jerrie loved to have around.

“ I had the pleasure of meeting and working with Jerrie at Georgia Piedmont Technical College(formerly DeKalb Technical College) where she served as Financial Aid Director. Right away we became fast friends. She was dedicated and compassionate about the students we served. She was funny, she was serious and always made all of us feel special. My heart is heavy with her passing. I know she is in the arms of our Savior and I pray that the family will be comforted by our God's love, grace and mercy. Rest in Peace Jerrie knowing that you were loved by so many.

“ It is hard to believe that the angel that was Jerrie has left the universe. But I know she is resting in the loving arms of the God of Peace. Jerrie and I were classmates at Savannah State University and reconnected when she moved to the Metro Atlanta area. She was a bright light in the world and today the lights are dimmer because of her departure. To the family, my thoughts and prayers are with you and I leave you with these words of comfort "Earth Has No Sorrow, That Heaven Cannot Heal." Be at Peace.
