“ *The most positive, rational, and optimistic man I will know. Always had a smile on his face, and spoke nothing but words that were uplifting. Uncle Jerry has helped me grow as a man in so many ways, and continues to do so. I can only aspire to be as inspiring, impactful, selfless, giving, supportive, and as loving as you. I miss you, and will forever love and remember you.*

“ *So many memories I take with me but his carefree spirit about everything was his best attribute. Never heard him yell or raise his voice about anything.*

Uncle Jerry was the coolest and loving guy you could have ever met.

Love you Unc, Chuckie!

“The memories we made will never perish;
for your soul rests in us forever.
You’ve showed us how to shine bright even in
our darkest days;
how to work for what we love
and accept our family with open arms”
We love you papa. The coolest grandpa grandkids could ask for.
Soar high for us. We will meet again and reunite, until then, wait for
us with open arms. ❤️

“ Big Jerry was not only my uncle. But he was a father figure, my buddy, friend, coach & the realist man I ever met. I remember going to see him play softball in the post office league. I emulated my uncle's batting stance & dominated. His sense of humor was unmatched & timing of his jokes. Made the jokes even funnier. His work ethic easy also a great example to me as well. The man had 1 job and almost never missed a day. This is a sad time. Yet an exhaling time. No more worries, pain or suffering. I love you Uncle Jerry.... Memories of the times we've had, will live on at family functions & in our conversations for as long as we live.
GOODBYE BIG JERRY!!!!!!!!!!

“ Big Jerry will always be the most coolest, calmest level headed man I've ever met. I remember when I got poison ivy after he warned me not to play around it but me being me I didn't listen. And I caught it and he was the only one who didn't flip out every body separated me like I had the plague but unk was super cool about. He taught me how to write raps and keep rhythm. Told me I was being stupid when I needed to hear it always had a story for every lesson he wanted to teach. Dam unk you will forever be missed and loved!!

He had a quiet demeanor and accepted all family members. He attended all family functions but he never missed a day at work. He was a uncle my kids could look up to. My brother-in-law you stepped up.

“ To the family of the late Jerry Colbert Sr. It is with great sorrow that I offer my deepest sympathy for your loss. Jerry took me under his wing and showed me the way when I first transferred to Atlanta from Connecticut. The things he taught me have sustained me throughout my postal career at North Metro. His kind, gentle and loving nature will never be forgotten.

Sincerely,

“ Dear Colbert Family: Please accept my sincere condolences for the loss of your loved one. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection.” There will be a resurrection of the righteous and the unrighteous .” May you have peace as you think about this beautiful hope for the future.
