“ I thank God for allowing me to meet Mr. Beckett. He was a quite man, but when he spoke, it was always something beneficial to me. Talking with him reminded me of the conversations I would have with my Dad. Rest we Mr. Beckett. Much love and respect. Michael

“ To the family of Mr. Jesse - I am grateful to have known Mr. Jesse! It was a blessing to see him in the church congregation in Sundays' church services and Thursdays at Bible study. He was known for his beautiful and humble quiet spirit! I would always say "hi dad" and he would respond softly "hi" and would say nothing else, but his beautiful quiet humble spirit was very much displayed! I called him dad because of Lucy being an integral part of our church family, and we all just feel like family! On behalf of my family (the Hill family), may God continue to strengthen and bless you all! God is good all the time and all the time God is good! Love and God bless! Cherrica Hill
