“ To Jesse's Family - my sincerest condolences to you on the passing of one of the sweetest and kindest persons I have ever worked with at IHG. Jesse always had a smile on his face and a kind word to say to all that encountered him in the halls and on the elevators around the office. Jesse was a walking testament to grace and graciousness of good people and a good heart. God Bless You All!

“ Jesse was such a warm, sweet spirit and everyone he came in contact with at IHG LOVED him. He was always there to greet you with a smile and make your day a little brighter talking about the things he loved. We've missed him in the building but know he's in a much better place and hope his family will take comfort in that. We was a great man!

“ Thinking about Jesse, his family, and his beloved dog. I loved seeing Jesse around the building and always chatting about life. He remembered everything and loved sharing stories. Anytime I went to the mailroom, I was met by his beautiful smile. He was taken too soon. May he Rest In Peace knowing he touched so many lives with his beautiful soul. Rest easy my sweet friend.

“ I was shocked to see this ... My sincerest condolences go out to Jesse's family and friends

I left IHG 3½ years old ... I worked on the 30th and 6th floors during my 4 years at the IHG Corporate Offices

I would see Jesse all about the building delivering packages and mail and I also would see him when I went to the mailroom - Always a smile on his face and always offering a hearty hello

It is so sad

Rest Easy - I'm glad to have known you

“ I am so heartbroken to hear this. Jesse was one of a kind and always add extra pleasantries to IHG. He was thoughtful, kind and gracious. He spoke to everyone he met. You couldn't help but to have a smile on your face after seeing him. He always had an open invite to our potlucks on 18 and 31. He had the best laugh. Thoughts and prayers to his family and friends. IHG will miss him

“ I am so saddened to see this and learn of this just now. Jesse was an exceptional person. I worked on the 31st floor at Ravinia as was a VP at IHG, but to me Jesse was one of the most important people there. He always had a great attitude and we appreciated very much what he did. This is heartbreaking and so sad to hear of this. He embodied a spirit that most executives will never understand regardless of their level. Jesse may you forever rest in peace. Please let me know if there is anything I can do.

“ I am saddened to hear of Jesse passing. Jesse was an amazing person with a pure heart. He always saw the good in people and remembered every IHG employee's name. He always greeted you with a smile and asked, 'how are you doing Bob'. Jesse, you are truly inspirational and thank you for all the great memories. We will miss you and thank you for your professional decorum. God bless you and your family.

“ I am so sorry to hear of Jesse passing. It has not been the same at IHG since he stopped delivering mail with the cheerful “Hello, Counselor” every time he saw me. Jesse lit up the floor. My thoughts and prayers are with you all for strength during this difficult time. May his memory be a blessing.

“ Jesse is the sweetest man on the planet. We loved it when he came by our work area at IHG. He knew everyone's name. I called him "Smiley" because he was always smiling and happy. Heaven gained a beautiful angel.

“ You could be in the middle of the absolute worst day at work and you would see Jesse come around the corner with that huge smile and you couldn't help but smile back! He was the friendliest, sweetest, most caring person and that smile lit up all the floors at IHG. He has been missed for quite a while around there and his passing is truly a loss for this world. Rest in peace Jesse. Sending prayers for all of your family.
