“ *Mr. Dixon never used his powerful persona to intimidate...instead it was used to motivate, elevate and educate. So the life of this man, we celebrate.*

“ *I will always remember Mr. Dixon. He would tease me and call me his "Rosetta Stone". So many of Robert Shaw graduates will miss him. He influenced our lives in such a positive way. The family have my prayers for strength during this time of sadness...*

“ *Thanks so much for being the positive spirit you were in our lives. You were great to be around. We were blessed to be with you a couple of months ago and attend the Braves game st the new stadium. You gave us directions to your haouse and reminded us that you were 89 years young. Thanks for your help at Dekalb Schools 40 years ago. Heaven has another angel. Rest In Peace ...*

“ *Mr. Dixon was great with students. He made learning interesting and fun. He taught me math in the early 60's at Robert Shaw Elementary School in Scottdale, GA. Over the years when I had opportunity to see him and talk to him he remembered me; his mannerism was always cheerfull. My condolences to his family. Marzet Cooper.*
