“ Mr. and Mrs. Arnold Foster and family give you our deepest condolences. Mr. Foster and Dr. JC Futrell was the best of friends at Shaw University. Dr. Futrell is a down to earth brother and he's a people person. We enjoyed interacting among our colleagues/classmates during the on and off activities(football, basketball, volleyball, baseball games, participating in going to the parties, and our fraternal organizations(Kappa Alpha Psi - Dr. Futrell and Groove Phi Groove Social Fellowship, Inc.- Mr.Foster), etc.. I'm a graduated from the class of 1976. However, Dr. Futrell graduated after me. But when we party all night but, We study all night ! Personaly, I know that our " Foreverlasting Father " doesn't make a mistake and HE knows all about us! We also ran into each other in Atlanta, Georgia while I was attending " Atlanta University(Clark Atlanta University). And he was working at the radio station at Atlanta University! However, he will be missed! Coming from Ephesians 6:11-12 HE said as follows: 11- Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12- For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. May our God be with you and forever more! Sincerely Yours, Mr. and Mrs. Arnold Foster !
