“ Hello everyone, my 6 year old son was a client of Jevon's... I cannot begin to tell you how devastated and hurt I am to hear of Jevon's passing when I went to the shop on my son's regularly scheduled day... Jevon was a very nice and intelligent young man. He always showed a genuine concern for my son and encouraged him to excell in school. He told him how important an education was. My son looked up to him and looked forward to his weekly visits to the barber shop. My heart goes out to his parents and all of his family and friends. He was truly one of the good guys. Gone way to soon but no better place to be than with the Lord.....My sincerest condolences Shaleka and Ashton Wilson
