“ *Jillian was my best friend. Jillian was one of the strongest people I know with an extremely big heart who was beautiful inside and out. When you think of her you think of her smile that she greeted you with and the smile she put on your face. You are always guaranteed a laugh once she is around. She will be missed but never ever forgotten. I am sure her memory will live on in each of us. My sympathy goes out to the family during this difficult time, may she rest in peace and rise in glory.*
