“ Papa,  
I can't even imagine my life without you.! The hurt is gut wrenching just thinking about it, but I know you wouldn't want me to live a life of grief. Thank you for raising me, protecting me, loving me, providing for me and most of all helping me raise Kevin! When you left a piece of my heart did too that I'll never get back. We will take good care of mommy like i told you.  
Until we meet again,  
Your baby girl

“ I worked with Mr. Bryant while he was a patient in 5eicu . One thing I learned about Mr. Bryant he like to look good. So a shave and a little hair trim always put a smile on his face. He couldn't wait for his wife to walk in and tell him he looked good. That's all that mattered. May he Rest In Peace. He was always pleasant and a pleasure to work with. I give the family my deepest condolences.
