“ Dearest Terry & family. There is no set time or pattern for grieving a lost loved one for it is individual and very personal. No words can ever make up for Jimmy’s physical presence. Grief is not something that goes away instantly or something that you can hide. But, it is my hope that you find solace as you hold Jimmy within your heart. Let the glow of happy memories lighten your heavy heart and help you to smile , knowing that the Almighty’s great, compassionate , eternal love will bring Jimmy’s soul relief. With sincerest sympathy, your friends , Helen, Amir& Gabby Davis
