“ Dear Rogers Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “ There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Cookie - My deepest sympathy in the the loss of Jo-Ann. As children and young adults, Jo-Ann and I were very close and was the kindest, funniest friend I could have asked for. Her spirit was infectious and she will be missed. May the Lord comfort you at this time and in the days ahead.
