“ *It was my pleasure of meeting Joan at Cascade United Methodist Church. I became to know her better as a member of Cascade United Methodist Women. Joan was really a hard working and dedicated person to the organization. She will truly be missed.*

*I knew Joan and her sister from RSHS, and I was saddened to learn of her demise. I had not seen her since she or I graduated from high school. It is apparent that she had a successful life and accomplished many good things for herself. Rest well Joan. Revelations 21:3,4.

“Joan and I played together since we were in kindergarten. We were in all of our classes from 1st through 12th grade. We continued our friendship after high school with occasional calls and visits when she came to town. I will miss my friend of 70 years. She was such a wonderful, smart person who excelled in all she did. Our last visit was especially wonderful because we had time to sit, laugh, and talk about our earlier years and the fun and challenges we had together. She will be sorely missed. As she sits near God in Heaven, I know she is there to assist Him in every way she can.

Cox and DeVeaux Family, sincere condolences extended to you, about the loss of Joan, an old RSHS student of the sixties. I did not graduate with her but we were both there at the same time. Rest well until the resurrection!
