“ *I was deeply saddened when I received the phone call from Thackery. Mrs. Harris was my first homeroom teacher in 6th grade at Sandy Springs Midle School when we were located in the old building where Kroger is now in Sandy Springs. I was 11 years old. That was 21 years ago and til this day I've always loved and repected her as a teacher, metnor, leader, and friend. Most of all my heart goes out to Thackery and his family. I love you all! May God bless you and keep you.*

“ I read about Mrs. Harris' passing with great sadness. JoAnn taught both of my daughters in Social Studies TAG at Sandy Springs Middle. She was their favorite teacher. I attended her retirement celebration this past spring and hugged and thanked her for the gift she gave my girls. I will pray for your family during this difficult time. Most sincerely, Diane Hawk Gustafson, Fulton County teacher of the gifted
