*I will dearly miss my dear friend. I thank God for time He allowed us together wherein we shared some wonderful memories. Lol I will always remember when she came to visit with us in St. Helena Last year. Lol how we stopped by Costco and Joann used one of those riding shopping carts. Lol we had so much fun that day especially as Joann kept almost running into people in the store but she enjoyed herself so much in Costco and her stay with us. I am happy for her because I know she is not suffering anymore and is now laughing up in Heaven with our dear friend Connie. I miss both of them so very much but the happy memories will last forever. “ Auntie,  
Missing you so much, especially our long talks on the phone; some serious talks about life at times; balanced with hilarious laughter about life at other times. You always knew how to brighten a person's day. You will forever hold wonderful memories in my heart!  
Please give dad, mom, uncle Ralph, grandmother and grandfather a BIG hug and kiss for me up there! :-)  
Love, Shirley
